Budget Statement

by

**Dr. Amit Mitra**

Minister-in-Charge, Finance Department

2020-2021

10th February, 2020

Hon'ble Speaker Sir, I rise to present the Annual Financial Statement for the financial year 2020-21 to this August House.

## 1

Hon'ble Members, at present our country is passing through unprecedented crisis which has reached an alarming situation. Indian economy was so far in ICU but now it has been shifted to ventilation.

Today democracy is under threat. The foundation of Indian Constitution is shaken. Under this situation, India's federal structure is at stake. Not only this, according to Global Democracy Index<sup>1</sup> India's position among other countries of the world has slipped by 10 places and now reached 51st place. It is clear that a planned and purposeful conspiracy is active which will lead the Indian society to a division.

---

<sup>1</sup>Global Democracy Index, 2019 (*The Economist*)

All the economic indices are not only going down but in many cases they are negative. Not only this, we are also experiencing economic slowdown on the one hand and inflation on the other—as a result, the citizens are now under the grip of Stagflation. Under this situation, the farmers are also facing a tremendous crisis. So then, where have the “Acche Din” gone in these 5 years.

At present India’s GDP growth rate has touched its lowest – it has come down to 5%\* in 2019-20 which is lowest during the last 11 years. In comparison, the growth of GDP of Bengal has reached 10.4%\* which is double the growth rate of India.<sup>2</sup>

Similarly, when the industrial growth of India during 2019-20 (April-November) is 0.6% the industrial growth of Bengal is almost 5 times (3.1%)<sup>3</sup>. Where has the chest thumping slogan of ‘Make in India’ disappeared?

In the midst of such a gloomy environment, we are fortunate that Bengal has claimed No. 1 position in different areas.

100 days work	- Bengal is first
Small Scale Industries	- Bengal is first
Rural Housing	- Bengal is first
Rural Road	- Bengal is first
Minority Scholarship	- Bengal is first
Skill Development	- Bengal is first
EoDB (Ease of Doing Business)	- Bengal is first

Hon'ble Commerce and Industries Minister of Government of India is forced to admit in the Parliament another bright example of Bengal surging forward. He was forced to admit that an amount of Rs. 22,267 Cr. foreign capital has been invested in Bengal during the last 8 years.<sup>5</sup>

In addition, the resounding success of the five Bengal Global Business Summits have made Bengal proud. From the large number of investment proposals received in these summits around Rs. 4.45 lakh Cr. worth investment in large industries has already fructified.

<sup>5</sup>Government of India Reply given in the Parliament on 5.2.2020 by Union C&I Minister

You will be happy to know that during the last 8 years an amount of Rs. 2,43,419 Cr. has been invested in small and medium industries through the co-operative and commercial banks – here also Bengal is first.<sup>6</sup>

Bengal has been rejuvenated with the implementation of Swasthya Sathi inclusive of free treatment facilities for all. Bengal has become a model State in development programmes like Jaladhara, Gatidhara, and also from agriculture production to poultry reforms.

Hon'ble Members, in the last 8 years considerable work has been done by our Government in the field of good governance and economic reforms under different social protection schemes for the citizens.

Even after repaying the huge burden of loan and at the same time persistent non-cooperation of the Central Government, we have stood by the people of Bengal and we are determined to introduce various social development schemes for the citizens. As a result when the rate of unemployment in India has touched its highest in the

<sup>6</sup>Through regular meetings of State Level Bankers' Committee (SLBC) with Finance Minister and creation of MSME Sub-Committee of SLBC

last 45 years, we have been able to successfully reduce the rate of unemployment by 40% in Bengal.<sup>7</sup> Compared to many big States West Bengal has again achieved No. 1 position in reducing poverty successfully to a great extent. This glory is achieved as the State Government has made continuous efforts to include all the members of the family in state schemes and as a result:

1. Percentage of school dropout - considerably reduced
2. Girl child marriage - considerably reduced
3. Ensure food security through Khadya Sathi Scheme
4. Young generation is marching forward with their heads high through the introduction of schemes like Kanyashree, Sikshashree, Aikyashree, Sabuj Sathi, Swami Vivekananda Scholarship, Anandadhara, Jago.

Income of the farmers has also increased manifold due to introduction of exclusive schemes like direct purchase of paddy from the farmers, Krishak Bandhu, Shashya Bima etc.

Poor parents are now getting grants for marriage of their girl child through Rupashree Scheme. Our Government has firmly stood with the senior citizens and differently abled through different social schemes like Old Age Pension, Widow Pension, Manabik and others.

---

<sup>7</sup>Reply of Lok Sabha Starred Question No. 321 on 19.03.2018

We have also implemented various schemes to strengthen the self help groups, social protection schemes for unorganised labours and their families, schemes for folk artists. From Sabujisree to Samabyathi we have firmly stood by our people at every step from birth to death.

Not only this, through many other programmes our Maa Mati Manush Government is marching ahead under the able leadership of Mamata Bandyopadhyay.

### **Tax Reforms**

#### **2.1 Goods & Services Tax**

Honourable Members, you are aware that we had vehemently opposed the Central Government's hurried and unplanned implementation of GST. The country is bearing the brunt of this decision. Tax evasion through fraudulent invoices has reached gigantic proportions. Recently, the Central Government Minister accepted on the floor of the Parliament GST evasion of more than Rs.44,000 Cr. This situation is a cause of serious concern.

## **2.2 Settlement of Dispute Scheme for VAT, CST and Entry Tax**

Honourable Members, I am happy to inform that in December, 2018, the Settlement of Dispute Scheme which I had introduced benefitted more than 30,000 taxpayers. We could collect Rs.1,120 Cr. of the arrear disputed tax.

Still, more than 25,000 such disputed cases are lying pending. I propose to introduce a new and more attractive Settlement scheme for all VAT, Sales Tax, CST etc. and Entry Tax cases which are lying pending upto 31st January, 2020.

The scheme will offer taxpayers to settle their VAT, CST etc. cases by depositing 25% of the disputed tax by 31st March, 2020. For tax payers who are not able to avail this facility, the scheme provides the option of payment of 25% on half of the disputed tax (VAT, CST etc.) before 31st March, 2020. On the balance half of the disputed tax (VAT, CST etc.) they will be required to pay 30% in maximum of 6 monthly instalments from April, 2020.

For Entry Tax, only the admitted tax needs to be paid within 31st March, 2020. For those who are unable to avail this facility, the scheme allows payment of 50% of admitted tax within 31st March and balance 50% with nominal interest in maximum of 6 monthly instalments.

## **2.3 Settlement of Certificate Cases**

Presently, more than 15,000 Certificate Cases/Tax Recovery Cases of the Commercial Taxes are lying pending in the Directorate of Commercial Taxes. For the benefit of the taxpayers, I propose to extend the new Settlement of Dispute Scheme on similar lines for disposal of such Certificate Cases also.

## **2.4 Settlement of Dispute Cases under Motor Vehicles Act**

### **Waiver of penalty on Outstanding Motor Vehicle Dues**

For the benefit of the general public, I propose to introduce a new settlement scheme wherein the taxpayers will get complete waiver of interest and penalty of the outstanding tax, if the payment is made within 31st March, 2020.

### **Waiver of 50% Compounding Fine on Motor Vehicles Offences**

Over and above this, I also propose to waive 50% of the Compounding Fee imposed on all motor vehicles violations under the Motor Vehicles Act, if the payment of the Compounding Fine is made within 31st March, 2020.

## **2.5 Waiver of Agricultural Income Tax**

Honourable Members, considering the gravity of the present situation in the Tea Gardens in the State, I now propose to waive the Agricultural Income Tax to the Tea Gardens for the next two financial years 2020-21 and 2021-22.

## **2.6 Relief under Stamp Duty & Registration Act**

### **Waiver of interest on outstanding Stamp Duty**

Honourable Members, there are large number of old deeds which are pending registration due to incomplete payment of Stamp Duty. Due to high rate of interest, the registrant public is unable to deposit the remaining amount to complete the registration process. I propose to waive the interest on such cases so that the registrants are able to register their deeds. This move will help thousands of such people.

### **Reduction of Stamp Duty on Amalgamation**

Honourable Members, it is often observed that amalgamation of adjacent plots of lands is required, specially in cases of family property. The present Stamp Duty of 5% to 7% is imposed on such transaction. I propose to reduce the Stamp Duty in such cases from 5% - 7% to nominal 0.5% with the ceiling of Rs.3,00,000.

## **Creation of Fast Track Appellate Authority for Disposal of Appeal Cases**

Honourable Members, a large number of Appeal Cases are lying un-disposed in various Registration Offices of the State. For the speedy disposal of these pending appeal cases, I propose to establish Fast Track Appellate Authority. All cases have to be disposed of within 90 days of the initiation of the case. This will benefit a large number of people.

### **3**

#### **3. New Proposals**

##### **3.1 Opening of new universities**

Hon'ble Members are aware that in the span of last 8 years, the number of universities in the State has increased from 12 to 42, including a new university Harichand Guruchand at Thakurnagar with a branch in Krishnanagar for the contribution of Matua Community, Alia university for the development of the Muslim community, Kanyashree university at Krishnagar, Hindi university at Howrah for the benefit of Hindi speaking people, Darjeeling Hill university, Mahatma Gandhi university at Purba Medinipur, a Women university at South 24-Parganas.

I am happy to announce that 3 more new universities – Birsa Munda University at Jhargram, Ambedkar University in SC dominated area and another university for advancement of education among OBCs will be established in the next two years. **For this purpose, I propose to make an allocation of Rs. 50 Cr. in the next financial year.**

### **3.2 Bandhu Prakalpa for Scheduled Caste**

Hon'ble Members, I am glad to introduce a new scheme called "Bandhu Prakalpa" for the welfare of aged people belonging to Scheduled Caste community.

Under this scheme, all SC persons above the age 60 years who are not covered under any other pension scheme will be given a monthly pension of Rs. 1,000. As a result, 100% Scheduled Caste persons above the age of 60 years, about 21 lakhs, will be given Old Age Pension. **For this purpose, I propose to make an allocation of Rs. 2,500 Cr. for the next financial year.**

### **3.3 Jai Johar Prakalpa for Scheduled Tribe**

Hon'ble Members, I am glad to introduce a new scheme called 'Jai Johar Prakalpa' for the welfare of aged Scheduled Tribe persons.

Under this scheme, all ST persons above the age 60 years who are not covered under any other pension scheme will be given a monthly pension of Rs. 1,000. As a result, 100% Scheduled Tribe persons above the age of 60 years, about 4 lakhs, will be given Old Age Pension. **For this purpose, I propose to make an allocation of Rs. 500 Cr. for the next financial year.**

### **3.4 Bina Mulya Samajik Suraksha**

Hon'ble Members, the unorganised workers in construction, transport and other sectors of our State are given free of cost various benefits like compensation for accidental death or disability, health facilities, grant for education of children, etc under the Samajik Suraksha Yojana (SSY). Besides the above benefits, they also get the benefit of provident fund. Under the Provident Fund component of the SSY, the enrolled beneficiaries under the scheme has to deposit Rs. 25 per month and an amount of Rs. 30 is contributed by the State Government. On reaching the age of 60 years or on death or discontinuation, the beneficiary can draw the accumulated amount along with interest.

I am happy to announce a new Scheme named 'Bina Mulya Samajik Suraksha' in place of the existing Samajik Suraksha Yojana. Under the new scheme, the State Government, besides providing other benefits free of cost will also provide provident fund benefit free of cost. It will bear the beneficiary contribution of Rs. 25 per month in addition to its own contribution of Rs. 30 per month. The beneficiary will not have to make any contribution for all the benefits including the Provident Fund. This Scheme will be operative from 1st April, 2020. It is expected that 1.50 Cr. families will be benefitted under the Scheme. **For this purpose, I propose to make an additional allocation of Rs. 500 Cr. for the next financial year.**

### **3.5 Banglashree Prakalpa**

Hon'ble Members, this Government has given special focus on the development of MSME sector in the State as it provides maximum employment.

With the objective of further giving impetus to the MSME sector, I propose to introduce a new incentive scheme for MSME named "Banglashree" from 1st April, 2020. MSMEs which started operations with effect from 1st April, 2019 will also be eligible for this Scheme. It is expected that with this Incentive Scheme more and more

new MSMEs will be established and huge employment will be generated. **For this purpose, I propose to make an allocation of Rs. 100 Cr. for the next financial year.**

### **3.6 Karma Sathi Prakalpa**

Hon'ble Members, I am happy to announce a new Scheme named 'Karma Sathi Prakalpa' for making unemployed youth self-reliant. Under the Scheme every year for the next 3 years, 1 lakh unemployed youth will be assisted. They will be provided soft loan and subsidy for taking up any new income generating project upto Rs. 2 lakh. The loan will be provided by the State owned Cooperative Bank. It is expected that unemployed youth assisted under the Scheme will able to take up small manufacturing or trading activities and will become self-reliant. **For this purpose, I propose to make an allocation of Rs. 500 Cr. for the next financial year.**

### **3.7 Establishment of new MSME Park**

Hon'ble Members, West Bengal is a leading State in micro, small and medium enterprises. As per NSS report of the Central government, the State has 88.67 lakh MSME establishments. During the last 8 years, the number of MSME Clusters in operation has grown from 49 to 539.

The infrastructure for small industries has also seen tremendous growth. At present 52 MSME Parks are operating and 39 more such Parks are under construction in the state.

Now in order to further attract MSME investment in the State, I propose to establish 100 new MSME Parks in the next 3 years. **For this purpose, I propose to make an allocation of Rs. 200 Cr. for the next financial year.**

### **3.8 Chaa Sundari**

Hon'ble Members, around 3 lakh permanent workers are on rolls in 370 tea gardens in the State. Among them almost 50% are women and a majority belong to Scheduled Tribes. You are aware that the State Government is already giving rice at Rs. 2 per kg, free electricity, health benefits, mid-day meal and also a large number of other benefits.

Many of these workers do not have house of their own due to poor economic condition. With the objective of providing them housing facilities, I am happy to announce a new Scheme named "Chaa Sundari" under which within next 3 years the State Government will provide funds for construction of housing for all those permanent workers who do not have house of their own. **For this purpose, I propose to make an allocation of Rs. 500 Cr. for the next financial year.**

### 3.9 Hasir Alo

Hon'ble Members, during the last 8 years we have achieved 99.9% electrification in the State to provide electricity to the consumers. Besides this, we are providing electricity at low cost to the poor consumers. But still those who are very poor, face much problem in paying their electricity bills.

I am happy to announce a new Scheme named 'Hasir Alo' for providing free electricity to the poor of our State. Under the Scheme, no electric charge will be levied on all those poor domestic consumers whose quarterly consumption of electricity is upto 75 units (Life Line Consumers). This will benefit around 35(thirty five) lakhs poor families of the State. **For this purpose, I propose to make an allocation of Rs. 200 Cr. for the next financial year.**

### 3.10 Training Academy for Civil Services

Hon'ble Members, in order to encourage students of West Bengal in appearing for Civil Services Examinations we are already running a Training Centre at the Administrative Training Institute. We have received encouraging response and a good number of students have been successful at the competitive Civil Services Examinations.

Encouraged by the success of this coaching centre, I am happy to announce of opening of 3 new Civil Service Academies at Kolkata, Siliguri and Durgapur named Mahatma Gandhi, Jai Hind and Azad for coaching students for such examinations. **For this purpose, I propose to make an allocation of Rs. 15 Cr. for the next financial year.**

### **3.11 Bangla Sahayata Kendra**

Hon'ble Members are aware that the State is providing most of the services online to the public through extensive use of Information Technology. With the objective of improving access to all the services of the State Government, I propose to establish 2,744 Bangla Sahayata Kendras in the first phase in all 23 District offices (including Kolkata), 66 Sub-Divisional offices, 342 Block Development offices, 1,500 Primary Health Centres and 813 Libraries across the State. Citizens would be able to use these Kendras for getting services relating to all Schemes of the State Government like Kanyashree, Aikyashree, Caste Certificates, Residential Certificates, deposit of tax and other fees, etc. **For this purpose, I propose to make an allocation of Rs. 100 Cr. for the next financial year.**

Hon'ble Speaker Sir, with your permission I would like to place the achievements and State Plan allocation of major departments in Part-4 of the speech which may be considered as read. Sir, I now directly go to the concluding part of my speech at Part-5 (page no. 91).

### **Achievements of major Departments and Budget Allocations for 2020-21**

#### **Big push to Agriculture and Rural Economy**

##### **4.1 Agriculture**

The State for the 6th consecutive year has been awarded "Krishi Karman Award" for the best performance in coarse cereals production during the year 2017-18. Moreover, two farmers of West Bengal have been selected for "Agriculture Minister's Krishi Karman Award" in the year 2017-18.

"Krishak Bandhu" scheme was launched in January, 2019 with two components namely "Krishak Bandhu (Assured Income) scheme" to provide financial assistance @ Rs. 5,000/- per acre and "Krishak Bandhu (Death Benefit)" to provide one time death grant of Rs. 2 lakh

Assistance. Rs. 620.23 Cr. has already been given to 39,51,800 farmers under “Krishak Bandhu (Assured Income)” up to Kharif 2019 and Rs. 1100.79 crore is going to be disbursed to 41,02,503 farmers by 31st January, 2020. Under “Krishak Bandhu (Death Benefit)” scheme, assistance amounting to Rs. 89.08 Cr. has been given to family of 4,454 deceased farmers till 31st December, 2019.

During 2019-20, a total amount of Rs. 128 Cr. is being provided as subsidy to farmers for purchase of equipments, of which Rs. 70 Cr. for establishment of 400 Custom Hiring Centres.

Rs. 1,285 Cr. is proposed for more than 20 lakh farmers as relief from damages by cyclone ‘Bulbul’ & other calamities under the scheme–State Disaster Response Fund (SDRF) during 2019.

Bangla Shasya Bima (BSB) Scheme, a wholly state funded Crop Insurance Scheme has been implemented in the State since Kharif 2019 season. Full premium is borne by the State Government for all crops except potato and sugarcane. About 46 lakh farmers have been covered under the scheme during Kharif 2019 season.

1 lakh farmers are being provided monthly pension of Rs. 1,000/- under Farmers' Old Age pension scheme.

Under "Universalization of Soil Health Cards" 45.28 lakh Soil Health Cards have been issued in the second cycle (2017-19). There are 23 Soil Testing Laboratories (STLs) in our State.

I propose to allocate Rs. 5860.57 Cr. to the Agriculture Department for the next Financial Year.

## **4.2 Agricultural Marketing**

186 Krishak Bazars with modern marketing facilities have been set up so far. 18 of such Krishak Bazars have already been connected with the national level e-NAM (Electronic National Agricultural Market) portal.

Total Rs. 1773.13 Cr. have been spent from 2011-12 to 2018-19 for creation of marketing infrastructures including Krishak Bazars.

"SUFAL BANGLA" project is operational since 2014. It procures agricultural commodities directly from the individual farmers/Farmers' Producers' Organisations (FPOs)/Farmer Producer Companies (FPCs) etc. and sell the same directly to the consumers at reasonable price. It presently operates with 63 mobile vans, 3 Hubs and 131 static and mobile stores in 15 districts of the state. Since inception Rs. 21.63 Cr. of fund has been utilised in this project till date. Annual turnover is expected to reach Rs. 32 Cr. during 2019-20.

**Potato Procurement Scheme 2019** was introduced to safeguard the farmers of the state wherein Rs. 550/- per quintal was declared as the procurement price.

**Potato Market Intervention Scheme 2019** has been introduced to stabilize the upward market price of potato.

In view of the recent nationwide spiralling price hike of onion above Rs. 150 per kg, Onion Market Intervention Scheme 2019 was implemented. As on date, i.e., 31.12.2019, onion is being sold to public @ Rs. 59/- per kg through 131 SUFAL BANGLA outlets, 934 Fair Price Shops under Food and Supplies Department and 105 women SHG groups in different districts.

WBAPM(R) Act was suitably amended twice in 2014 and in 2017 to attract more investment in the sector and provide remunerative price to the farmer.

West Bengal State Agricultural Marketing Board (WBAMB) has introduced online integrated electronic single platform permit (e-Permit) System for fast and hassle-free transactions of agricultural produce in West Bengal.

I propose to allocate Rs. 350 Cr. to the Agricultural Marketing Department in the next Financial Year.

### **4.3 Food Security: Food and Supplies**

“Khadya Sathi” is presently providing food security to 9.16 Cr. beneficiaries across the state.

Highly subsidized foodgrains is being provided through the vast network of 500 plus distributors and 20,000 plus fair price shops.

Special packages over and above the existing entitlements are provided to more than 50 lakhs beneficiaries belonging to vulnerable sections of society and those living in remote/interior areas i.e. Aila affected blocks, Jangal Mahal area, Hill areas of Darjeeling and Kalimpong districts, all workers and non workers residing in tea garden areas.

40.81 lakh MT of paddy was procured in the K.M.S 2018-2019 from 11.05 lakh farmers. Further 5.23 lakh MT of Paddy has been procured so far (upto 31.12.2019) in KMS 2019-20.

Storage capacity has been increased from 63,044 MT in 2011 to 9,54,374 MT in 2019 and will be further enhanced to 12,09,074 MT by March 2021. Projected capacity as on March, 2020 is 11,00,244 MT.

The Department has taken initiative to Construct ‘Model Fair Price Shop’ in all Tea gardens. Till date 155 such FPS in Darjeeling (26), Jalpaiguri (79), Kalimpong

(06) and Alipurduar (44) districts have been constructed and construction of 11 more FPSs will be completed by March 2020.

Digital Ration Cards have been provided to each and every Khadya Sathi beneficiary. e-PoS machine have been introduced in more than 19,000 Fair Price Shops till date.

A new 'Non Subsidized Digital Ration Card' has been introduced for persons who are not entitled to get 'Subsidized Food Grain Digital Ration Card'.

I propose to allocate Rs. 8,390 Cr. to the Food and Supplies Department for the next Financial Year.

#### **4.4 Food Processing Industries and Horticulture**

West Bengal Produced 29.55 million tonnes (MT) of vegetables in 2018-19 against 27.70 MT in the year before which is 15.9 per cent of the country's total vegetable production (3rd Advanced estimates).

In Paschimanchal and North Bengal, cultivation of vegetables, fruits, flowers and spices is being encouraged. With this initiative an additional land of 3,687 hectares has been brought under cultivation in Paschimanchal and 1,090 hectares in North Bengal regions.

Experimental cultivation of Commercial Seedless Varieties of Grapes in Bankura district has commenced in consultation with the National Research Centre for Grapes, Pune. Propagation of commercial varieties of new

fruits like dragon fruit and strawberry has also been taken up in the North Bengal districts.

The work related to establishment of "Centre of Excellence for Vegetables", in Hooghly district, an initiative taken up with the assistance of MASHAV, Israel has commenced.

## Conclusion

Hon'ble Speaker Sir, our Ma-Mati-Manush Government believes that without employment generation, economic development is meaningless. Keeping this in mind, and under the leadership of our Hon'ble Chief Minister, our government has brought about upsurge in development.

In spite of the dismal state of the Indian economy, the economic development of Bengal is undeterred.

Let me inform this esteemed house, that in this financial year we have generated 9 lakh 11 thousand employment opportunities in the State.

With the permission of the Hon'ble Speaker, I propose a budget of Rs. 2,55,677 Cr. for the year 2020-21 on behalf of the State Govt.

Sir, I would like to conclude my speech with the words of the person who has inspired Bengal to achieve the first position in various fields, march forward with all-round development and under whose guidance I am able to present this budget.

From her recently published book 'Kabitabitan', I would like to recite a few lines.

Mamata Banerjee in her poem "Sonar Bangla" says

সভ্যতার এই পীঠস্থান আমরা জ্বালাব দীপ,

নূতন করে বাংলায় জ্বলুক সভ্যতার প্রদীপ

... ..

এই মাটিতেই গড়ব মোরা উন্নয়নের ঘাঁটি,

আমাদের এই বাংলা হোক সোনার চেয়েও খাঁটি।
